## EDITORIAL

**H**ere we are again another month on and firmly heading towards spring, talking of which Club Vol.47 No.4, has a few tricks up its sleeve this month that will have you hopping faster than a Duracell bunny. But if you take a little glance to the right, then you can probably make an accurate guess based on Uma Jolie's peachy behind. But Uma's not the only one with a backside to die for; there's also newbie Valentina Bianco's ripe rear and Chloe Toy, Adria Rae and Georgia too! And with Penny Lee's barking bust slipping out over the cover, we wonder if you'll have anything left for Tiffany Tatum, though I'm sure you'll try!

Dear Club,

I thought I would take this time to tell you all about a rather nice first time experience for me, my first shag outdoors.

My fiancée, Christine, and I had talked about it occasionally but it had never gone beyond the odd joke and 'maybe one day' kind of comments. Then the other week I mentioned it when we had been having a few drinks. She thought about it for a few seconds, winked and then said, "Why not?" Needless to say, I didn't argue.

The next week, on one particularly sunny Wednesday, we both had time off work, so we decided today would be 'The Day'. I must admit to being a bit nervous, with visions of some old dear walking her dog and seeing my hairy arse banging up and down. So we packed a few bottles of wine into a bag for our little sex picnic. Of course, in reality there was only one thing I wanted to tuck into that day – Christine's gorgeous little pussy!

As we sat on the bus, Christine began slowly stroking my thigh, whilst at the same time looking out of the window, as if nothing could be further from her mind. Every now and then she would give my throbbing knob a light grope. I thought I would come in my jeans there and then.

Christine looked gorgeous. She knows I've always had an eye for her beautiful big tits, so she wore a low cut summer dress that didn't really leave much to the imagination. From where I was sitting, I could see right down her cleavage, as her tits strained in her tight clothing. She was driving me wild and she knew it.

The bus was quite empty. This seemed to encourage Christine to get more and more adventurous. She leaned over and nuzzled into my ear. We kissed and she took my hand and led it down between her legs. I looked around and when the few passengers were not looking at us, I slipped my hand up her dress. No knickers!

We looked at each other, Christine had a dirty look on her face that I hadn't seen in a while. I began to frig her hairy little pussy, which was already quite wet.

**“She straddled my body, her pert pussy lips hanging over my throbbing boner.”**

We carried on like this for a few minutes, as Christine struggled to keep her cries in, until she finally said, "Let's get off now!"

I managed to hobble off the bus, my raging stiffy bursting to get from my jeans. Then we were alone, in the country and both very horny! We walked for a little while until we found a secluded spot behind some bushes.

"I'll get the wine out," I said, my fear returning.

Christine shook her head. "Who needs it?" she said and pulled her dress over her shoulders with one swift movement. "I know I don't."

Looking at her standing there, with no knickers and only the flimsiest of bras, I realised I didn't need it either. The bra dropped to the floor. She pulled me towards her and we kissed. I fondled her lovely big tits, running my hands over her nipples, which were large and firm and needed to be sucked. I went down on my knees and did just that. Christine groaned, and roughly ran her hands through my hair. "Jesus, that's good," she gasped as my mouth continued to suck on her large hard nipples. She grabbed at my shoulders and tugged my T-shirt off. There

was no going back now. There was no way I could have stopped anyway. I had to have her, there and then!

I went down lower, parting her legs, exposing her hairy muff and pretty pussy lips. She knew what I wanted to do and put her left leg over my shoulder. Christine then leaned back onto a tree for balance and let my tongue dive into her waiting pussy.

Her snatch was already quite wet with excitement and this let me slide my index finger inside her as I began to lap at her sweet smelling pussy. I started with slow, confident strokes then followed with fast little flicks on her love button. This continued for a few minutes as she moaned and sighed loudly, seemingly oblivious to her surroundings, until she began to buck her hips, thrusting her pussy further into my face.

"Oh God... Oh, that's it... I'm going to come!"

I kept lapping hungrily at her pussy until Christine came and a trickle of her juice went down her thighs, which I licked up greedily in seconds. Christine gave me a big smile and then pushed me onto my back. She fell down on top of me, kissing me deeply, sucking her own juices from my mouth.

"You're for it now," she purred, as we rolled

around the grass. "I'm going to get every last drop out of you!"

"Bet you can't," I joked, as she wrestled with my jeans. They were soon around my ankles, and I was lying there, naked except for a pair of boxer shorts, my cock jutting up in the air, struggling to break free. Christine pulled my boxers down and in seconds my dick was in her mouth.

She took the full length in her mouth and slurped away on my tool whilst the sun shone down on our naked bodies.

My fiancée continued to suck on my length for a few minutes until she looked me in the eye with a wicked grin. "So, would you like to fuck me?"

Like I was going to say no, or something!

We kissed lovingly for a few more minutes, before she lay me down on the grass once more. She straddled my body, her pert pussy lips hanging over my throbbing boner.

"Oh please," I couldn't take any more teasing. I had to be inside her. Christine smiled and then slowly lowered herself onto my cock. The feeling was fantastic as my dick was engulfed in her dripping wet pussy. Our eyes met and she carried on riding me as we listened to the squelching noises her pussy made with each thrust.

"I want you to lose all your hot come in me," Christine breathed, her lips brushing my ear. "I want you to feel me gripping that cock as you push your way deep into my soft, wet pussy."

My hands grabbed her arse as she began to ride me harder, her body pressing against mine. She moved herself slightly, so that her big tits were in my face. "Suck those

nipples!" she said, a pink glow in her cheeks. "I want to feel your mouth as well as your dick!"

I couldn't last much longer than a few minutes of this. As I humped her with all my might, thrusting my meat deep into her, I began to moan and felt my come rising.

"That's it," she soothed, "I want that come. I want it all, shooting inside me, filling me!"

She got that alright. I let out a cry and emptied my balls inside my beautiful, sexy fiancée.

We lay on the grass for a while afterwards, enjoying the sunshine, before finally making our way back home.

As we got on the bus, I'm sure the driver knew what we'd been up to. Judging by the indignant look on his face, he was probably jealous. And rightly so!

I think we may have lost our hearts and heads this month to newbie Valentina Bianco, who popped into our studios to give us a whirl in front of the camera. And what a pleasing sight it was as Valentina's figure-hugging dress gave way to a sumptuous toned body and neatly shaven snatch! Welcome to Club Valentina and how are you enjoying your first shoot in our studio's?

"I'm having a great time thanks; I always enjoy whipping my kit off in front of the camera, it makes me quite horny."

What else makes you quite horny?

"The sight of a man's bulge will also do the trick; I'm easily turned on, so there's quite a list." It's like music to our ears!

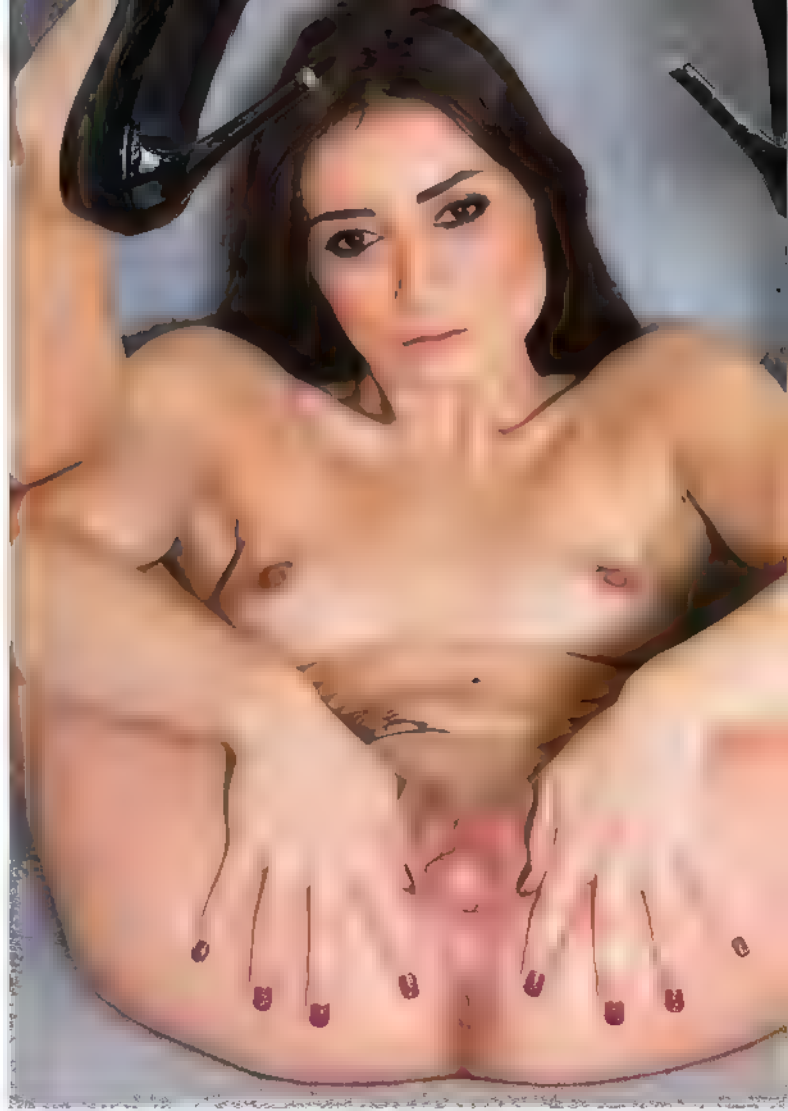

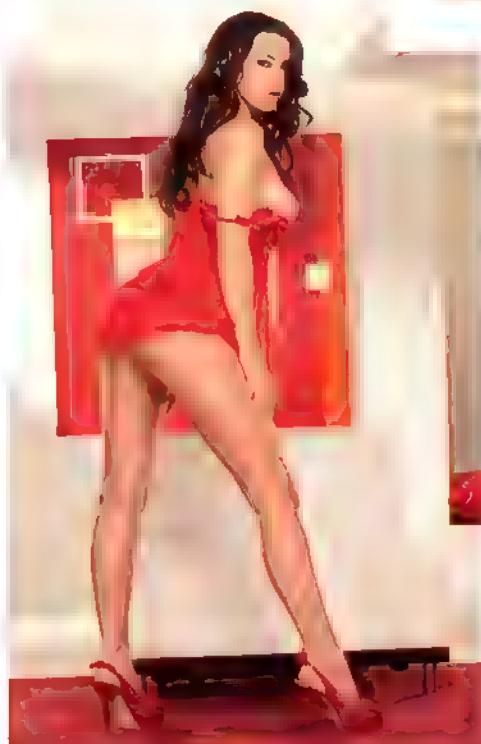

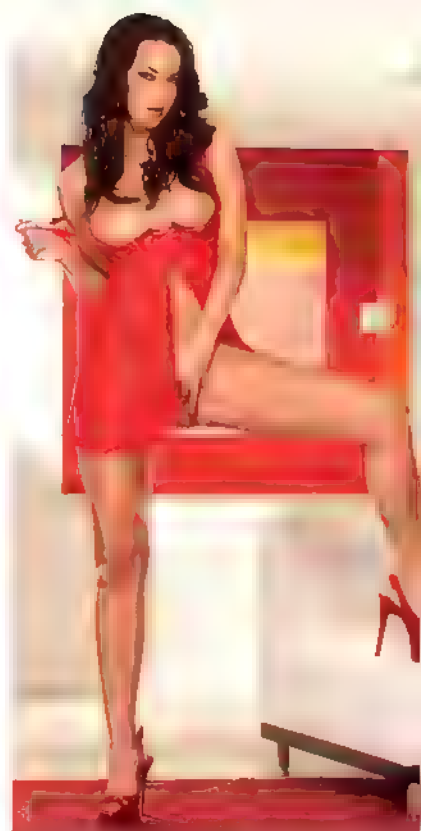

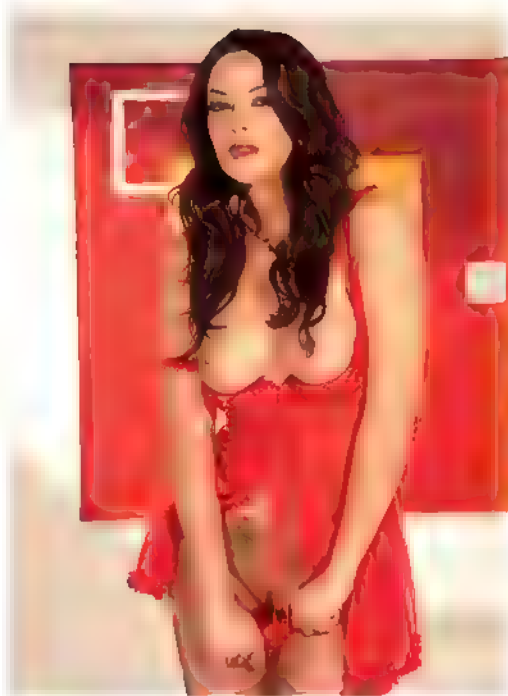

# TOTAL RECALL

**D**ear Total Recall,  
After last months Mensworld  
recall, it got me thinking about  
the mag I was so sorry to see  
close. As it was one of my favourite  
page-turners, I do have a few copies,  
or relics if you prefer, and one of the  
seriously hot babes that have always  
stayed in my mind was Sophia from  
Vol.22.05. In fact, I'm looking at her right  
now while penning you this letter, and I  
think it must be the combination of her  
dark waving locks and red negligee that  
really gets my blood pumping. So please  
publish the gorgeous Sophia again for  
others to enjoy!

"I've always been adventurous by

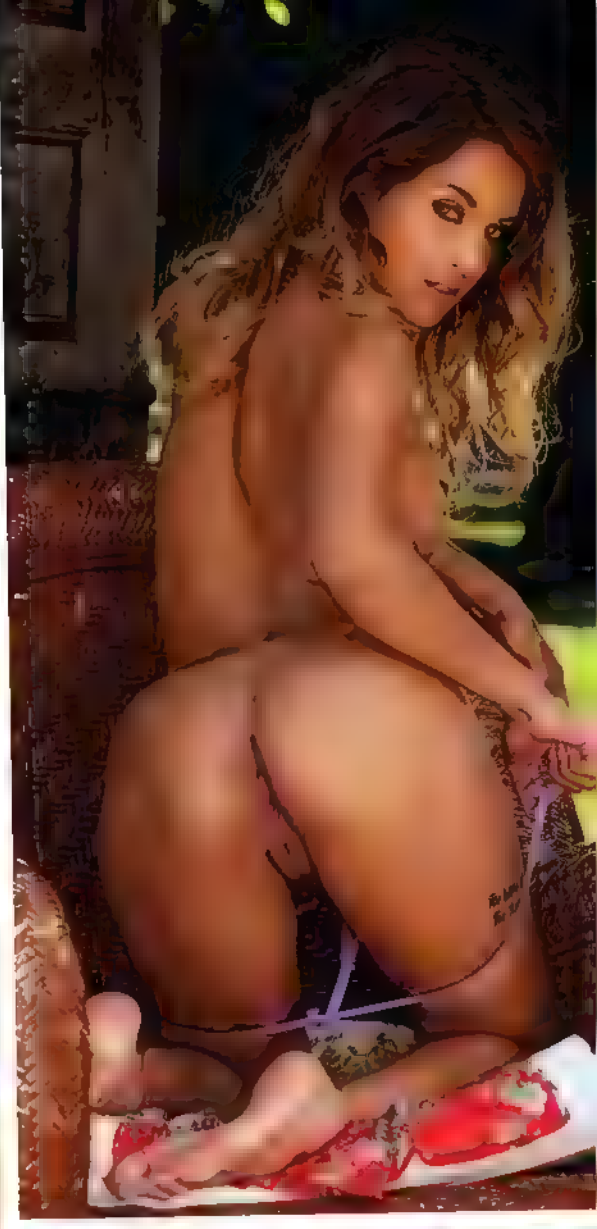

nature, and although I didn't grow up thinking I want to be in the porn industry, it certainly appealed to my sense self, and I have to see it such great fun. I love my job; I get to come to work and ride a big dick every day."

Uma's more than pleasurable to work with we bet.

Connecting via the phones lighting port, the Nano S offers 4k video recording and 20MP stills in a compact form with an attachment that fits into the palm of your hand with great results. It's a snap and go camera that allows you to frame your pictures later for in the moment results. You can also edit any stills or videos in the Insta360 app, that just like Instagram comes with a range of filters and also sorts of trickery to make your pictures stand out from the crowd. **RED5****Mini Arcade Machine**[www.menkind.co.uk](http://www.menkind.co.uk)

We're going back to the future now, as retro gaming has become super cool, so we might tread on some hipster's toes as we review the Mini Arcade Machine from RED5. Shaped as its title suggests this portable machine is packed full of retro fun with 240 games to choose from, which are played using the machine's eight-way joystick and two buttons on a 2.5" screen (yes very tiny, but cute!). There are a variety of games on offer that are split into sections, such as shooter, sport and puzzles, plus there are based on ye olde games you'd recognise. So whatever type of gamer you are there will undoubtedly be something for you. Although it's no PS4 or Xbox, there's a lot of fun to be had on a small price tag, and it will certainly distract you from that boring excel document your boss asked to finish last week. All we can say is every desk should have one!

**Samsung****SmartThings**[www.samsung.com](http://www.samsung.com)

If you've ever tried to make your home smart, then you'll know about the million and one devices by various companies you'll need to install, and the phone clogging apps you need to make them all work. Well, Samsung has used their noggin here and come up with a starter kit that will provide the backbone of your home all controlled via one hub and app. SmartThings generation two hub has wider device support and better third-party technology integration, so you won't have any trouble if you've become dependant on Amazon's Alexa. The hub itself is a neat little white box you'll barely know is there, that has a back-up in the event of a power cut. A great little smart pack from Samsung.

**T**he thought of summer is always an arresting one. The warm sun on one's skin, the long evenings and of course the wonderful woman of this world often dispense with their tights and throw on a flattering frock. Pretty much like Adria here with her floating dress that quickly appears obsolete to requirements, much to our joy. Revealing her luscious young body and shaven snatch that looks softer than velvet. A long summer evening Miss Rae would undoubtedly be a shining one.

## Diary of a Student

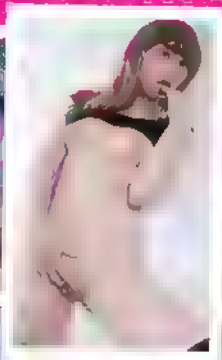

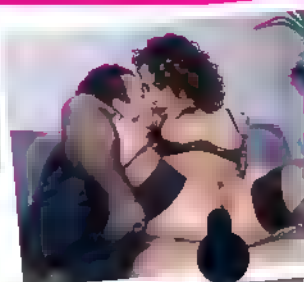

Marc Dorcel

**Starring:** Sophia, Nikita Bellucci, Mya Loren, Alexa Tomas, Mina Sauvage, Fira Ventura, Lilou, Josh. Ricky Mancini, Kristof Cale, Joel Tomas, Pablo Ferrari, Philippe Soine, Fabio, Sam,

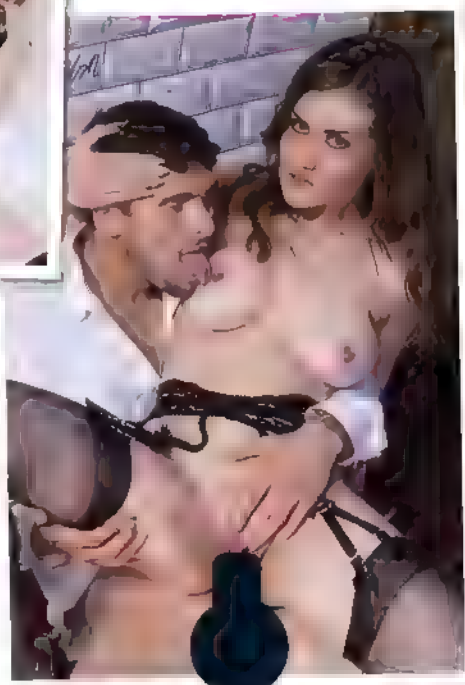

and Pascal Saint James

**Synopsis:** "Mina, an 18-year-old student, takes life as it comes, like any young woman her age. Every evening, after her economics class, she goes to her acting class at her local theatre with the secret dream of becoming a professional actress. During a private party on a barge, Nikita, her roommate and best friend, meets Roman, Mina's favourite Director. What if this encounter was the opportunity Mina had been waiting for? Even if Mina couldn't come to the party, Nikita certainly took advantage of it with Roman and a very open couple. After

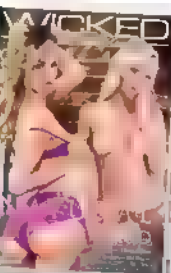

a night of debauchery, she meets with Mina at her acting class. During a break between two acts, Mina takes her boyfriend to the dressing room and offers him all her holes before going back to the rehearsal."

**Verdict:** Students these days, there all over the place zooming from one class to the other, while putting in some extra circular activity in the rumpy-pumpy department. We're not sure about the classes, but these French students certainly have the fucking down to a tee, as they reveal some top class

action in the latest Dorcel adventure. That sees the fresh faced Mina acting her way to the top, while her boyfriend gets to enjoy sawing in and out of all her holes. Rivalry and seduction are key factors her to enjoy.

## Young, Natural and Wicked

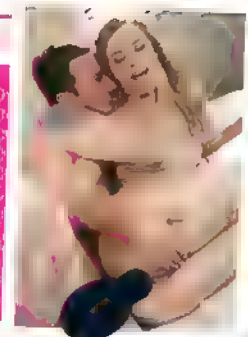

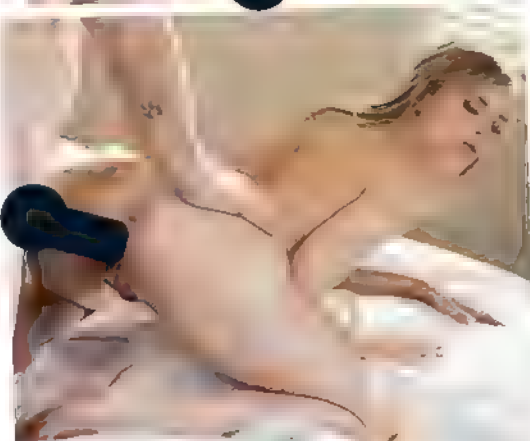

**Starring:** Kristen Scott, Mia Malkova, Alexa Grace, Jillian Janson, Tommy Pistol, August Ames, Danny Mountain, Bill Bailey, Jessie Jones, and Gage Sin.

**Synopsis:** "Alexa Grace invites all of her sexy friends to her Uncle Tommy's house for Spring break. The only problem is that creepy Uncle Tommy won't leave them alone unless he gets laid. His relentless pursuit of young, all-natural college girls results in hilarious hi-jinks and blistering hot sex." Courtesy of Wicked

**Verdict:** I was under the impression American collage kids went to places like Tijuana for Spring break or lakeside hang outs where large and unruly parties will go un-raided by

cops and red plastic cups slowly kill off the wildlife. So Uncle Tommy's house seems a bit of a downward spiral, especially as Uncle Tommy is a lecherous, sex-starved, creep who just can't stop perving. There's plenty of cock going around for these ladies as the frustration of Tommy grows, and his niece has to pull him up on it. But eventually, Tommy gets to dip his rod in Mia, no less and seems rather a happy bunny after. It has some comical moments that are well timed and plenty of hot action, which is exactly what you would wish for from these naughty college ladies. We were just wondering what it must be like on campus if this is how they behave off?

**W**ho is this smoking hot female we have before us perfectly illustrating the oomph factor? You all know by now that it's our very own British babe Penny Lee hitting her suspender straps in a seductive lingerie set. So where has this naturally busty beauty been recently?

"Well, I've been working hard and doing a lot of custom videos for my fans. Which is great fun, you find out all the different things people like."

Any really odd requests?

"I did have someone request for me to slather myself in baked beans once. Of course, I did say it would have to be Heinz and no other bean would do."

That's our Penny classy; even when it comes to baked beans, only the best will do!

**A** Ladies boudoir has always been a mysterious place to a man, the things that go on behind those closed doors one can sometimes only imagine. So getting an up close and personal insight into Chloe Toy's place of slumber feels like a real honour. "I do spend a lot of my time in bed, in fact, it has to be my favourite place, though I'm not always sleeping when I'm tucked up that's for sure!" We're glad to hear it!

## JUST THE JOB

Like most students, I ran up huge debts while I was at university but what made it worse was the fact that I got thrown out six months before the end of my course. I'd spent four years partying on the back of a huge loan and at the end of the day I couldn't get a good enough job to even start paying it back. I was in financial dire straits when I saw an advert for a personal assistant in the newspaper and realised it could be the answer to all my problems if I could convince the boss I was the right person for the job.

I'd been for countless interviews before this one but always lost out to someone better qualified and realised I'd probably have to resort to using female tactics to come out on top. My appointment letter explained I'd be interviewed by the financial company's two directors who, I was relieved to find out, were both men.

I spent ages getting dressed for the interview, pondering whether to wear stockings or hold-ups, a tight low-cut top or see-through blouse and stilettos or knee-high boots. In the end I picked an outfit that didn't quite make me look like a prostitute but gave the men a good idea that I was up for it. I hoped I'd just need to cross and uncross my

legs suggestively or give them a flash of my lacy bra by leaning over, to convince them to employ me. But at the back of my mind I knew I was so desperate for work I was liable to do anything to get what I wanted. And although it seems really odd, I have to admit I got quite turned on by the thought of offering myself like a whore to two complete strangers.

The advert I answered made the company sound like a huge financial services empire but when I turned up the offices were small but the money was so good I still desperately wanted the job. I was shown into an office

**"...slowly dipping it in and out of my hot pussy and as I did, the men unzipped their trousers."**

where the two men, Tony and Keith, were waiting behind their desks. They were typical small-time businessmen – with big egos, cheap suits and lots of aftershave. I thought they'd be easy to impress and hitched my skirt up a couple of inches as I took my seat in the middle of the room – giving them an eyeful of my long stocking-clad legs.

I answered my questions slowly, toying with the strands of blonde hair that I'd purposely allowed to tumble from my business-like ponytail. But towards the end of the interview, Tony asked what kind of degree I'd left university with and I knew I could be in trouble. As with other bosses, they weren't quite so impressed when I explained I was officially under-qualified for the job and they quickly said they'd be in touch to let me know whether I'd succeeded.

I knew only too well what this meant and, grasping at straws, suggested I might be prepared to do things their other interviewees weren't.

I quickly uncrossed my legs and opened my knees wide to give them an eyeful of my white lacy knickers, which were already damp in anticipation. The men shot sideways glances at each other and knowing full well what I was suggesting, Tony mischievously asked me to explain.

Shaking with nerves and excitement, I couldn't bring myself to say the words so instead took it upon myself to show them exactly what I was prepared to do.

I quickly unfastened the buttons on my jacket and thrust out my large breasts, feeling my breathing quicken. The men stared intently as I tugged at my ponytail to release my long, soft hair and flicked it back sexily. I eased open the buttons on my white silk shirt to reveal my firm tits and slipped off my pencil skirt. Soon I stood in front of my bosses in just my white underwear and stiletto heels.

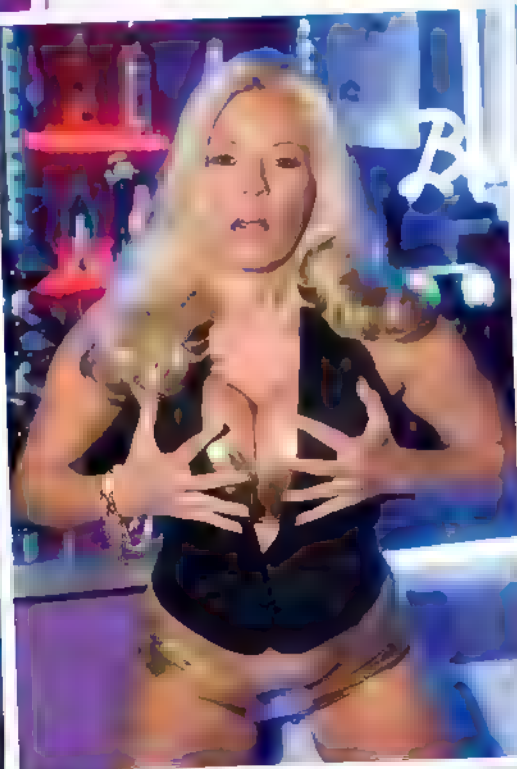

I sat on the desk in front of the men and ran my hands seductively over my breasts, arousing my sensitive nipples to make them stand to attention. Keith shifted around in his seat, adjusting his trousers to accommodate his growing cock. It might sound big-headed, but I know I have a good figure and love showing it off to men, so for me this was actually a real turn-on. I loved the feeling of their eyes, greedily scanning every inch of my curvy body and soon I was as desperate as they were to get my knickers off.

First though, I teased them for a few seconds, running my fingers over the thin wet piece of lace that covered my pulsating snatch. The material was gooey with my juices and I could feel my clitoris stiffening with excitement. Lifting my hips slightly from the desk, I slowly eased my panties down – revealing to the horny blokes my neat triangle of black pussy hair. Then I parted my legs and watched their faces as they hungrily eyed my pink pussy. I felt so wanton, lying there displaying my private parts to two total strangers in a last-ditch attempt to get a job.

I peeled open my smooth fanny lips to give them a look at my tight wet hole and after licking a finger seductively, eased it inside. I began

**“His thick muscle thrust so deep down my throat that I gagged...”**

knees between his legs, I saw Keith's wrist beginning to jerk as he watched and slowly wanked. Tony's cock wasn't the longest I'd ever had but nevertheless it was deliciously fat and I was eager to get my mouth around it. I took the base firmly in one hand and felt it begin to pulsate with lust. Pre-come was already leaking for his cock eye and I gently lapped it from his shiny helmet before circling his smooth glans with my tongue.

I held Tony's gaze as I teased his foreskin

slowly dipping it in and out of my hot pussy and as I did, the men unzipped their trousers. Tony was the closest to me and I purred approvingly as his thick cock sprung out of his pants.

"Come on then, let's see if you're any good," Tony ordered and his prick twitched toward me excitedly. When I dropped to my

back slowly and with my other hand began very gently massaging his come-heavy balls He groaned with anticipation and after a few seconds was so desperate to feel my mouth around his shaft that he forced my head onto his cock. His thick muscle thrust so deep down my throat that I gagged but after a minute I got used to his size and concentrated on giving him the best mouth fuck he'd ever had. I clamped my lips around the base of his dick and sucked gently to make it feel like he was screwing the tightest, wettest cunt in the whole world.

Listening to Tony's grunts of pleasure made my pussy drip with lust and I was desperate to have it filled with some meat. But I needn't have worried because Keith had read my

**"I opened my mouth greedily in the hope of catching a drop of his salty goo on my tongue."**

mind. In my excitement I'd forgotten I had two men to satisfy but I was quickly reminded when I felt Keith's hot hands lift my bum off the floor to give him access to my sopping fanny. He knelt behind me on the floor and, taking his veiny prick in his hand, he guided it roughly into my snatch.

If my mouth hadn't been full of cock I would have squealed when he stuffed himself inside me because he was quite big. But after a few thrusts I began to enjoy being stretched open by his massive dick.

I've done some pretty dirty things in my time but that has to top the lot – being skewered like a piece of meat at both ends by two cocks. I absolutely loved the thought of looking like a porn star and started acting that way, bucking back so hard against Keith's muscle that I could feel his hairy balls slapping against my peachy arse. It took some skill, but I managed to keep sucking

hard on Tony's stiff prick the whole time I was being screwed by his mate from behind. Even when my orgasm began to build in my begging pussy, I never released his cock from my lips. In fact, my head bobbed up and down even more frantically when my huge climax shook through my sweating body. I panted through my nose like a wild animal as I shuddered in complete ecstasy. I felt my cunt oozing streams of musky juices down my thighs and onto Keith's pounding cock.

My fast oral work had almost finished Tony off and he bucked his hips into my face, moaning, "Get ready to swallow all of this you filthy little bitch."

I prepared myself to gulp down his wad of sticky cream but Keith had another idea.

"Let's spray her face," he suggested to Tony between grunts, as he continued pounding away at my fanny. Tony must have agreed and I felt the hot cock slip out of my dripping pussy as Keith went to stand next to my face. He began wanking his cock furiously and Tony pushed me off his prick so he could do the same. The sight of two throbbing cocks being tossed off in my face was too much to bear and I scrabbled frantically at my clit

while I waited impatiently for them to shoot their loads all over me.

Soon Tony was grunting again and as his first stream of spunk splashed onto my cheek, I too began to climax. His arm jerked powerfully as he wanked his entire load into my face, not stopping until he'd milked every last drop. Almost as soon as Tony had finished himself off, Keith was ready to fire his wad and I opened my mouth greedily in the hope of catching a drop of his salty goo on my tongue. I could feel Tony's sticky mess all over my cheeks and mouth and within a few seconds I was being splattered with even more creamy spunk. Keith held my head still with one hand as he emptied his sack over my flushed face and into my mouth.

I was left covered in their combined come, the sticky mess dripping down my face and onto my heaving chest. Inside I felt

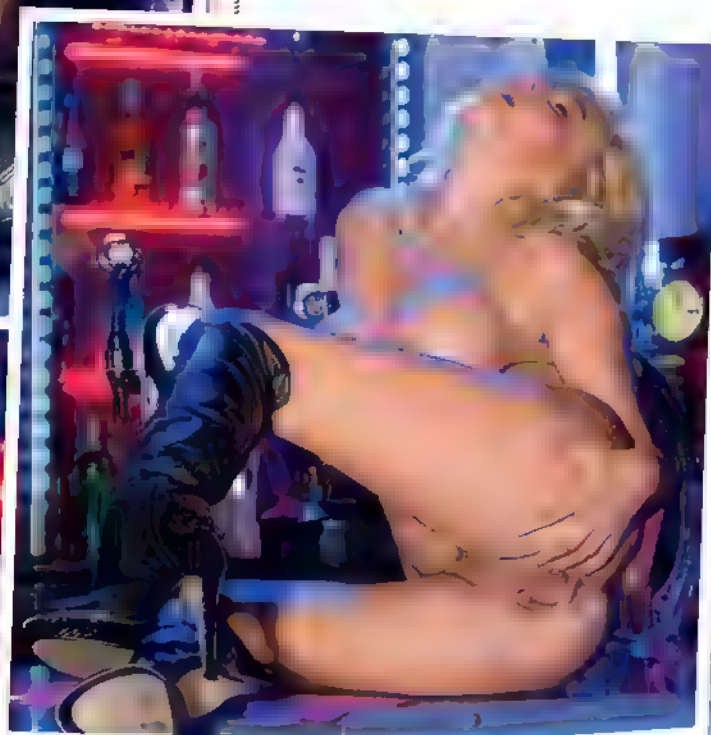

**“I felt my cunt oozing streams of musky juices down my thighs...”**

dirty and used and turned-on all at the same time.

It was time to leave now so I cleaned off their come with my knickers and, slipping on my skirt again, said I assumed I'd passed the interview.

“No, but it was a pleasure meeting you,” answered Tony, zipping up his trousers. Bastards.

# Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal.

## BACKDOOR LOVE LESSON

I love reading stories about anal sex, so you can imagine my passion for 'Peaches' in your magazine. After copious wanking sessions, I felt it was my turn to share with the readers an experience I'll never forget.

Just over a year ago, I landed myself a job teaching English in a small town on the south coast of Italy. During my first lesson I was amazed to discover I had a class full of pretty young women.

Tiziana (yes, that was her real name!) was

the pick of the bunch. She had a stunning figure with dark shoulder-length hair and a cleavage that smiled at me before she did. As the lessons progressed, Titz (her idea of a nickname, not mine) became more adventurous and flirtatious.

The sexual chemistry was finally released at the end year party. Whilst tucking into our pasta at a local restaurant, Titz was trying hard to keep up with my drinking. The more she drank the randier she became. She looked so damn sexy as she made eye contact with me. She started caressing my thigh and rubbed my instant boner inside my trousers. As I felt my zip being pulled down I knew it was time to take things further.

We made our excuses to the others and hastily made our way to my rented house. When safely through the door, Titz was on me

**“The warmth and tightness of her arse sent a wonderful sensation around my...”**

like an animal. She soon had my cock in her hand which she started sucking on like a porn star.

As she pleased me, I fondled her tanned and swinging tits, feeling her rock hard nipples. The blow-job that followed was lovely but I had other holes I wanted to explore.

I sat on the bed and Titz came and straddled me. She was dripping wet and I hadn't even touched her down there yet. Titz slipped my throbbing cock up her pussy then, as she rode me, I grabbed my suntan lotion from a side table, smeared some on my fingers and inserted one and then two fingers into her hot arse.

The feeling of coldness and the extra penetration had her really worked up. I started fingering her arse in rhythm to our fucking. Anal sex with Titz was now inevitable and I grinned at her.

I pulled out of her wet pussy, turned Titz round and placed my meat at the entrance to her brown eye. I swear it was winking at me!

Her English wasn't the best, but hearing her say "Yes, fuck my bottom,"

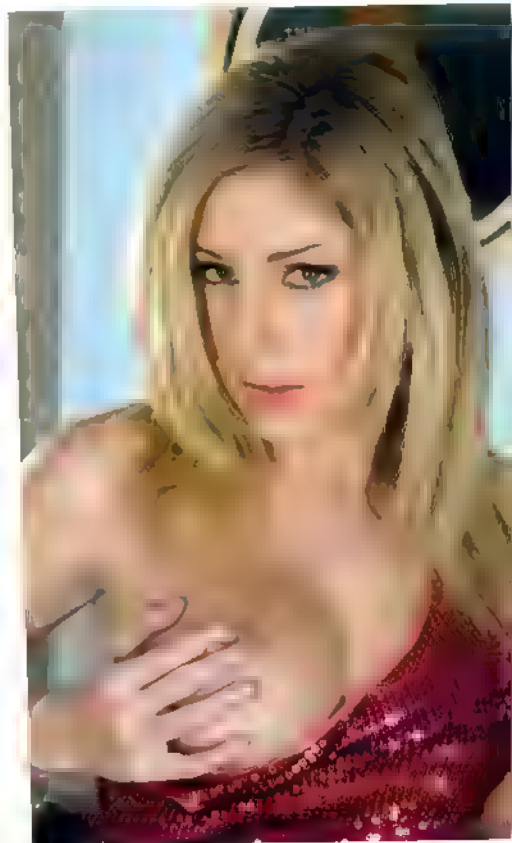

in her Italian accent nearly had me squirting right there and then.

My cock slipped in surprisingly easily, which lead me to believe that Titz wasn't an anal virgin (friends in Italy told me this is quite common amongst girls who want to marry without having full sex – but then they end up doing the lot anyway!). The warmth and tightness of her arse sent a wonderful sensation around my body, and I proceeded to bang her for all I was worth.

As her moans grew more audible, I moved my hand around to her front and started fingering her clitty like mad. Her body was really gyrating and I could tell she was on the verge of coming. She let herself go and started pushing back even harder onto my cock. I was loving it and all the bucking and wriggling was sensational on my cock.

I held out for about two more pumps of her arse and then let go as I unleashed an almighty torrent of goo right up her arse. I was still coming as I pulled out and offered her my cock. She greedily cleaned and polished off my meat with her cock-hungry tongue and mouth.

That night, I must have slept with a permanent grin on my face as it's one arse-

“...I unleashed an almighty torrent of goo right up her arse.”

fuck I'll never forget.

## SHOWN THE DOOR

I just had to write to you to tell you about the first time I had anal sex, which was just a week ago. It was with a gorgeous girl called Becky. I've known Becky for years as we used to work in a hotel together before we left to pursue different careers. She is a small, stunning blonde with nice round tits. I've fancied her for ages, a fact that she has known for just as long. We keep in touch but I hadn't seen her for a while before I decided to pop around to her house. Luckily she was in and we sat down to catch up over a cup of tea.

I didn't have much to say apart from the fact that I had broken up with my long-term girlfriend. Becky, however, had a lot to say. She'd recently got a job with a well-known holiday company and was now an air stewardess. The thought of her in that uniform started to turn me on instantly but it was what she told me next that nearly made me pass out. She confessed that on her days off she worked as a high-class escort, using the airline to make contacts.

**“I looked at her in the mirror as I fed my cock up her tight arse.”**

couldn't believe what I was hearing, the thought of this beautiful woman getting fucked by loads of different men made me really hard. Of course, after this, the conversation could go nowhere apart from onto sex. Becky asked me if I was getting any and I had to admit that I hadn't. Telling her that one regret about finishing it with my girlfriend was that I never got to shag her arse.

Becky questioned, "What, never?"

I shook my head. "Have you ever had anal sex?" Becky questioned again, adjusting her legs as she sat, so her skirt rode up her long brown legs just a little bit.

"No," I replied, a bit sheepishly.

Becky sat there for a second before saying "You can fuck me up the arse if you want?" I couldn't believe what I was hearing. It was a dream come true!

"It'll cost you, though. Fifty quid," Beck said, telling me that she would treat me like a client but only charge me half! Now some of you might have said 'fuck it' and left but there was no way I was passing this up. We agreed on the price and arranged to meet later that night.

I turned up at Becky's and she answered the door wrapped in a dressing gown. She told me that she had just got out of the bath. As we climbed the stairs to her room, she informed me that the bath was to relax her and her bum for the fucking she was going to get. My cock was bursting to get free when she showed me into the room. The bed was

huge and one of the walls was completely covered by a mirror.

"Get undressed and I'll be with you in a minute," Becky said, as she left the room. With all my clothes off I started to wank my cock, getting hard for the action to come. Becky returned and smiled, dropping her robe as she did so. She asked if I wanted a massage like she normally gives to her clients but I declined, wondering just how I was going to last!

Slowly, Becky replaced my hands with hers, wanking my dick to complete hardness. She then wrapped her lips around the shaft and started to suck me gently. I looked in the

mirror to see her head bobbing up and down. She built up speed, spitting on my dick, and moaned quietly. I didn't know how much more I could take and pulled her legs around so I could play with her neatly trimmed pussy.

She was already wet when I placed a finger inside her and began to frig her furiously. The faster she got, the more fingers I pushed into her and the faster they went.

It was Becky who stopped before I did, pulling away saying, "You'd better fuck my arse now!"

She moved around so that she was on all fours facing the mirror. I was behind her with my aching prick in my fist, ready to fuck. Becky put her right hand to her mouth to lick her fingers before moving it back and rubbing her arsehole. I knelt there watching as she placed the tip of her middle finger over her tightly puckered anus and stroked it. Gradually she inched her finger in until it was right up to the palm. I nearly came there and then but managed to hold out.

Becky removed her finger slowly and reached for my prick, guiding my helmet towards her. My cock, still wet from being inside this horny bitch's mouth, slipped over her back entrance before I nudged the tip in with a forceful thrust. Becky winced at the pain and told me to inch it in slowly. I looked at her in the mirror as I fed my cock up her tight arse. Her supple tits were hanging down and her eyes were closed as she took in my prick.

"Slowly, slowly. Oh fuck, that feels so fucking good," Becky whispered, as I began to pump her from behind. I was bent forward holding onto one of her tits as she talked dirty, edging me on to build up the speed. "Come on you fucker, fuck me!" she cried as I shafted her anus. "Fuck my arse! Fuck my arse!"

I was getting close to coming as her bum gripped my prick. Becky was the same. She dropped her head and put her hands to good use, frantically playing with her clit with one while she placed the other over the crack in her arse, her fingers gripping my cock as it passed through them.

This was all too much for me and I knew I was going to come. Becky must have sense this and started to yell, "Come in me, come up my bum!" With this she came too. "Oh,

I'm coming, I'm coming!" she said as I grabbed her hips hard and rammed my dick up inside her firing spunk deep inside her.

We collapsed on the bed and just lay there for a while with my prick still inside her. Then it was back to business. There was to be no playing around afterwards – unless I had more cash!

I handed over the money and left wondering who'd be the next to enjoy Becky's arse for a few quid.

It looks like Tiffany is having a right old go at that lolly, and who can blame the blonde haired beauty as she dips her toes in the cool water. We asked her who the floating unicorn belonged to?

"Me of course, somebody gave it to me a jokey present and told me I was a rare prize."

We can see their point after watching you attend to that ice cream.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Tooned Out!

The rumours circulating on the authenticity of Trump's now famous hair are still going strong, and now we wonder if it's leading to an outbreak of toupee fear? One citizen in the grip of such a fear is New Yorker Mazen Dayem with a reported phobia of the Tazmina Devil from the cartoon Looney Toons. Dayem who filed a restraining order against his father-in-law

Yunes Doleh for repeatedly scaring him with a toupee, similar to that worn by the cartoon character, has since violated his resisting order by terrorising the 36-year-old at a funeral by waving the hairpiece and snarling aggressively. Doleh faces charges of contempt and aggravated harassment; we suspect it's just the devil in him.

## Wing and a Pray!

It would appear a lot more than prayers go on in some church car parks after California's Riverside Police arrested Benjamin Baldassarre, 39, and Ashley Carroll, 31 after a surveillance team of narcotics officers, were tipped off by a neighbour. The couple allegedly used a drone to transport the drugs to waiting customers in the car park of East

Hills church. The customers would drive past the couples home and toss money on the lawn, with reportedly up to fifty cars a day. Police raided the couples house, which was also home to Baldassarre's 9-year-old daughter and found LSD laced sweets, meth and powered fentanyl, all of which was easily assessable by the child.

## A Glowing Hand!

The deck is marked, yes, with plutonium! Well, not entirely, in fact, it was iodine-125, a substance used in medicines that can cause harm to those exposed without protective clothing. A 41-year-old woman from Berlin was arrested following a raid on her home that unearthed thirteen (unlucky for some) radioactive playing cards dabbled with the substance. It's currently unclear how much this elaborate cheating scheme netted, or whether she had an accomplice, or even how they detected the marked cards in the pack. But police followed a lead after a bin lorry at a waste treatment plant was shown as having elevated levels of a radioactive substance. Details are currently being withheld, but we think the plot will thicken.
